CEO & PRESIDENT'S MESSAGE

In 2024, we proudly celebrated a remarkable milestone—50 years of service in our community. This anniversary reflects five decades of commitment, compassion, and meaningful impact. It's a reminder of the many lives we've touched, the progress we've made, and the vital work that still lies ahead.

Over the past year, we have continued to build on our agency's legacy, one shaped by resilience and innovation. From our beginnings as the Calgary Women's Emergency Shelter for women and children fleeing abuse, we have evolved into a dynamic organization that reaches across the broader community supporting individuals and families on their journey toward safety, healing, and hope.

As the realities of domestic violence and abuse evolve and community needs grow, we remain committed to adapting our response. By focusing on service excellence and continuous improvement, we've expanded our reach, and amplified our efforts to spark meaningful dialogue to help deepen awareness of how domestic violence can be understood and ways it can be effectively addressed.

We remain grounded in the belief that everyone affected by abuse—whether seeking safety or working to change their behaviour deserves to be treated with dignity and compassion, and offered meaningful support. Our programs and resources are inclusive and non-judgemental, meeting individuals at every stage of their journey.

Commemorating 50 years is both a moment of pride and a renewed call to action. It reaffirms our dedication to building safer and healthier communities, where everyone can live with dignity, safety, and respect. As we reflect on this past year and the decades that brought us here, we honour the volunteers, staff, donors, partners, and community allies whose passion and commitment have made every milestone possible.

Thank you for standing with us. With gratitude and unwavering determination, we look ahead committed to adapting, growing, and driving lasting change to create freedom from domestic violence and abuse for everyone.

COMMUNITY INITIATIVES & HIGHLIGHTS

Imminent Risk Project

For individuals living in dangerous and high risk situations, the threat of serious harm is ever present. We remain committed to reducing the risk of lethality due to domestic violence and abuse. In response to growing need, we launched the Imminent Risk Project in 2023. With this initiative, we work with community partners to provide safe accommodation and support for individuals in immediate danger who cannot access our shelter or other local options due to capacity limits. This project allows us to respond quickly, offering safety and stability at critical times while working toward personalized, longer-term solutions for each person or family we serve.

Safety and Repair with Tod Augusta Scott

In partnership with Men & Forge Centre for Dignity-Driven Leadership, Tod Augusta Scott joined us for two presentations of the Safety and Repair Workshop. The training introduced individual practitioners and organizations to a process to address gender-based violence which seeks to repair harm without creating more harm. Typically involving two practitioners - one for each person, the approach follows a 3-phase process. Participants learned tools and principles from Narrative Therapy, Trauma Work, and Restorative Justice, with a focus on repairing harm and not necessarily on restoring intimate relationships. Each phase explores how gender expectations and trauma can foster abuse and hinder people's ability to repair harm, both when they are hurt and then they hurt others. The workshop aimed to strengthen the domestic violence sector's capacity in our community to build skills and enhance services. Thank you to Counselling Alberta and Calgary Counselling Centre for supporting the second workshop that was presented in April 2025.

Take A Stand— Interactive Digital Toolkit Recognize, Respond and Refer

For more than 10 years, FearIsNotLove has been dedicated to educating and empowering the community to effectively support victims of domestic violence and abuse with the Take A Stand Initiative. Originally taking form as group presentations and online webinars, it has now evolved into more accessible and engaging interactive online toolkits, available to everyone. In 2024, the Recognize, Respond and Refer self-guided toolkit was launched. Designed for individuals to work at their own pace, it provides information about this critical issue, and practical ways to offer informed, compassionate support to someone who maybe living in fear in their close relationships. Offering non-judgemental, empathetic support is a powerful way to help end domestic violence and make positive change in our community.

Turning Points Fundraising Gala— Commemorating 50 Years in the Community

On April 25, 2024, we celebrated 50 years in the community. It was an engaging evening of reflection, gratitude, and renewed commitment to the vital work that still lies ahead to ending domestic violence and abuse. Hosted by Dave Kelly, the Gala brought together community leaders, advocates, and supporters to honour this important milestone. Guests enjoyed performances by vocal ensemble Remix: Powered by Revv52 and a surprise appearance by Canadian country singer Dean Brody, who also donated a signed guitar to our auction. The evening was a great success, raising more than \$650,000 in support of individuals and families striving to live free from domestic violence and abuse. This achievement was made possible by the generosity of our sponsors, donors, supporters and volunteers. Thank you to everyone who helped make the evening and our ongoing work possible.

COMMUNITY EVENTS

Independent special events, or third-party fundraisers, whether large or small, play a vital role in supporting our fundraising efforts. Each event brings us closer to realizing our mission and making a difference. We are grateful to the many individuals, organizations, and groups who organized events on our behalf over the past year, helping to support individuals and families impacted by domestic violence and abuse.

TREASURER'S REPORT

Demand for our services continues to be heightened with revenue increasing 7% year-over-year, and through careful expense management our expenses are relatively flat year over year, leading to a small deficit. This results in our third consecutive deficit albeit the smallest one of the three. Given our previous surpluses we are still well positioned to serve the community, but these deficits cannot continue in perpetuity.

The organization is focused on engaging our donors and finding sustainable sources of funding to meet the ever growing and changing needs of our community. We appreciate the ongoing support of the community, our donors, and all stakeholders as we continue to work towards a community free from fear, neglect, violence and abuse.

In the spirit of reconciliation, we honour and acknowledge Treaty 7 lands, which are the traditional territory of the Blackfoot Confederacy consisting of the Siksika Nation, the Kainai Nation, and Piikani Nation, also included are the Tsuut'ina Nation and Stoney Nakoda Nation, and an important trading centre for the Métis of Region 3 of the Métis Nation of Alberta. We recognize that we are Treaty people and have a responsibility to understand our history and the spirit and intent of Treaty 7 so that we can honour the past, be aware of the present, and build a just and caring future based on peace, friendship and understanding.
