### **Bart Van Schaayk**

Bart Van Schaayk joined the Calgary Women's Emergency Shelter's Board of Directors in 2016. He holds a degree in chemical engineering and has had a progressive career in the oil and gas industry. He worked predominantly in the natural gas midstream industry focusing on operations, economic evaluation, strategic planning, business development, joint ventures, acquisitions and divestments, and regulatory affairs.

Bart believes that those exposed to family violence are one of the most vulnerable groups in society and as a result need our full support not only in dealing with ongoing incidents but in prevention as well.
